GOOD FAITH AND CANDOR LETTER
REGARDING PATENT TERM ADJUSTMENT

The Applicant respectfully notes that the patent term adjustment calculation appears to award an excessive term adjustment to the Applicant.

The Applicant believes that the correct patent term adjustment calculation is 837 days, which includes:

- +874 days for the time between 14 months from filing and the first official action;
- -12 days for the Applicant's response to the 03/24/2004 Office Action;
- +31 days for a late reply from the Patent Office to the Applicant's 07/06/2004 response;

- -49 days for the Applicant's response to the 12/07/2004 Office Action;
- -2 days for the Applicant's response to the 07/15/2005 Office Action;
- -2 days for the Applicant's response to the 12/12/2005 Office Action; and
- -3 days for the Applicant's Appeal Brief that was received on 06/08/2006 (which was filed after receipt of the "Notice of Panel Decision from Pre-Appeal Brief Review" mailed 05/05/2006, giving the Applicant one month to file the Appeal Brief).

The Applicant respectfully requests correction of the patent term adjustment calculation, as well as an opportunity to review any new patent term adjustment calculation.

The Commissioner is hereby authorized to charge any fees connected with this communication or credit any overpayment to Deposit Account No. 50-0208.

Respectfully submitted,
